```
SONG; CHEESE HEADS
INTRO;
                                                          2 maten
       [ We are some cheese heads, flowding around. ]
       [ We are some cheese heads, Where going down. ]
Bridge 1;
                                                          8 maten
       [ Here we are. ] x2
       [ Now we are. ] x2
       [ Cheese city. ] x3
       [ God , safe us ]
Couplet 1;
                                                          8 maten
       [[ We don't need some other city. ]
        [ We just need, cheese city. ]
        Don't go to fucking amsterdam.
        [ If you a cheese city fan.]
Bridge 2;
Refrein;
       [[ you can by cheese from the fucking store,
              everybody needs cheese, nothing more.]
       [ sadly al the girls, here are fucking whores,
               you can buy cheese even if you're poor. ]
       [ without cheese, we are fucking sore,
              cheese is coming, so open the door. ]
                                                    ] x2
Bridge 3;
Couplet 2;
Bridge 2;
Refrein;
       [[ you can by cheese from the fucking store,
              everybody needs cheese, nothing more.]
       sadly al the girls here are fucking whores,
               you can buy cheese even if you're poor. ]
       [ without cheese we are fucking sore,
              cheese is coming so open the door. ]
                                                    | x2
Solo;
111111111111111111111111111111
Refrein:
       [[ you can by cheese from the fucking store,
              everybody needs cheese, nothing more.]
       [ sadly al the girls here are fucking whores,
               you can buy cheese even if you're poor. ]
       [ without cheese we are fucking sore,
                                                    1 x2 (1)
              cheese is coming so open the door. ]
Intro as outro;
1111111111111111111111111111
